Contact Information:
Telephone: (907) 474-5277  Email: uaf-testing-dept@alaska.edu

---

LS 101X Registration Tip for Closed Sections:
When a LS F101X class section is full, potential students are encouraged to get on the waitlist and attend the first day of class. Often registered students opt to take the Competency Exam after the first day of class then drop the class, opening up some spots for students on the waitlist or who have been attending class. Online sections can also be found at UAA and UAS. LS 101 credits transfer among UA campuses and fill the course requirement.
